

CURRICULUM VITAE
AHRABHI KATHIRGAMALINGAM

Center for Advanced Internet Studies
Konrad-Zuse-Straße 2a, Bochum, Germany

ahrabhi.kathirgamalingam@cais-research.de

EDUCATION

- 2021 - **PhD candidate and sowi:docs Fellow, University of Vienna, Austria**
Dissertation: Pushing the Limits? Long-Term Analysis of Racist Discourse Patterns in Mediated Discourses. Supervisors: Prof. Hajo G. Boomgaarden PhD & Dr. Fabienne Lind, Computational Communication Science Lab (CCL)
- 2019 - 2021. **M.A. Journalism and Communication Studies, University of Vienna, Austria**
Thesis: Automated Detection of Voice in Text for Content Analysis in Communication Science, Supervisors: Prof. Hajo G. Boomgaarden, PhD & Dr. Fabienne Lind, Computational Communication Science Lab (CCL)
- 2014 - 2018. **B.A. Media Management, Rheinische Fachhochschule Cologne, Germany**
Thesis: Social Bots and their impact on political opinion building during German parliament elections in 2017, Supervisor: Samuel Wintersohl
2013. **A-Levels, Quirinus Gymnasium Neuss, Germany**
2011. **Tamil Language School Neuss, Germany (12 years of school)**

PROFESSIONAL EXPERIENCE

Academic Positions

- 2025 – **Research Associate, Research Data Methods, Center for Advanced Internet Studies, Bochum, Germany**
Method consultation for CAIS, infrastructure projects, research on methods
- 2024 – **Research Associate, Societal Cohesion in Digital Media Environments, Center for Advanced Internet Studies, Bochum, Germany**
Research on polarization and societal cohesion
- 2022 – 2024. **University Assistant (prae-doc), Computational Communication Lab, University of Vienna, Austria**
Implementation of dissertation project and several projects with lab co-workers. Funded by sowi:docs Fellowship.
- 2019 – 2022. **Student Research Assistant, Computational Communication Lab, University of Vienna, Austria**
Assisting research projects on political communication with quantitative and computational methods.
- 2020 – 2021. **External Teaching, University of Vienna, Austria**
Tutor for seminar on empirical research design, overarching topic: racism, anti-racism & media

2020. **Project-based Research Assistant, University of Vienna, Austria**
Implementing and conducting online surveys with Qualtrics, Supervisor: Prof. Yuri Kazepov
Project: COHSMO - Inequality, Urbanization and Territorial Cohesion: Developing the European Social Model of Economic Growth and Democratic Capacity

Non-academic Research and Communication related Positions

- 2023 – 2024 **Project Research Assistant, Civil Courage & Anti-Racism Work (ZARA), Vienna**
Scientific consultation for government funded project on counter-speech in comment sections for two Austrian online newspapers (DerStandard, Kronen Zeitung)
2018. **netzlabor GmbH, digital agency, Cologne, Germany**
Project manager (PM) for agency clients and digital projects
- 2016 – 2018. **netzlabor GmbH, digital agency, Cologne, Germany**
Student assistant in content creation and management (Typo3), online marketing with Google AdWords and Google Analytics for agency clients, assisting project management for digital projects
- 2016 – 2017. **Schmittmann-Kolleg e.V., Cologne, Germany**
Representative and organizer of semester program on new media and society

SCHOLARSHIPS AND AWARDS

2023. **doc:muv Fellowship for Female Empowerment**
2 years fellowship including several trainings and mentoring for female early-stage scholars. Topics covered: Career planning, negotiation, presentation skills.
2023. **Short-term grants abroad (KWA), University of Vienna**
Grant for research visit at ASCoR, University of Amsterdam, Netherlands
2023. **Stipend for Research Visit, Schmittmann-Wahlen Stiftung**
Grant for research visit at ASCoR, University of Amsterdam, Netherlands
2023. **Research grant, University of Vienna**
Grant for data collection and annotation for PhD project
2021. **sowi:docs Fellowship, Vienna Doctoral School of Social Sciences, University of Vienna**
Three years project grant for PhD project on the dynamics of racist discourse patterns in media
2021. **Scholarship from Austrian National Union of Students**
For Master's Thesis
2021. **Achievement grant, University of Vienna**
For Journalism and Communication Studies (MA) (Master's Thesis)
2020. **Achievement grant, University of Vienna**
For Journalism and Communication Studies (MA)
2019. **Scholarship for Summer School, Schmittmann-Wahlen Stiftung**
For summer school course at HSE, Moscow

2018. **Award for ‚Inspirational Leadership‘, GoVolunteers**
Awarded for charity work for Offene Gesellschaft e.V.

INTERNATIONAL RESEARCH VISITS

10/2023 **Research visit at Amsterdam School of Communication (ASCoR),
University of Amsterdam, Netherlands**
Visiting Dr. Olga Eisele at Corporate Communication Programme Group

TEACHING, SUPERVISION AND WORKSHOPS

Teaching

S 2024. **Lecturer VO QUANTI, University of Vienna, Austria**
Quantitative research methods for communication science, 115 registered students

2024. **Guest Lecture: Ethics of Racism in News Media**
Seminar Media and Ethics
Faculty of Catholic Theology, University of Vienna

WS 2023. **Lecturer VU VERQUAN, University of Vienna, Austria**
Advanced quantitative methods with R, 140 registered students

2023- **Guest Lecture: Biases in Research Methods**
Methods seminar, 30 students
Department of Communication, University of Vienna

2022. **Tutor, University of Vienna, Austria**
Tutor for STEOP B – Forschungslogik (Research design). Topic: Racism, Anti-Racism & Media

Supervision

2023- **Supervision of Bachelor Thesis, University of Applied Sciences, Vienna**
Topic: Media coverage of ‘Letzte Generation’

2023- **Supervision of Bachelor Thesis, University of Applied Sciences, Vienna**
Topic: Impact of Diversity in Journalism

Workshops

2023. **Computer-Assisted Scientific Writing, Center for Teaching and Learning**
Organized and led workshop on how to use computational tools to assist scientific working and writing, 15 participants

2023. **Imagining Utopia – A Workshop on Discrimination, Vienna Doctoral School for Social Science, University of Vienna**
Organized and co-led workshop on combatting discrimination in academia for ViDSS forum ‘Navigating Intersectionalities and Creating Opportunities in Academia’

2023. **4-Part-Workshop: Intersectional Feminism in Academia, University of Vienna**
Organized and co-led workshop on discrimination and well-being in academia
Computational Communication Science Lab, University of Vienna, 25 participants

2023. **Racism in Europe, Schmittmann-Kolleg, Cologne**
Organized and led workshop on racism in the European Union, 15 participants
- 2021-2023. **Racism, Police Violence and Europe**
Organized and led workshop on racist police violence in Europe. Held on multiple occasions.

METHODOLOGICAL SKILL TRAINING

2023. **Advanced Quantitative Analysis of Text (Automated Text Analysis)**
Course instructors: Fabienne Lind & Petro Tolochko
Vienna Doctoral School of Social Sciences, University of Vienna, Austria
2023. **Academic Writing**
Course instructor: Eva Knutschner
Vienna Doctoral School of Social Sciences, University of Vienna, Austria
2022. **Introduction to Machine Learning for Text Analysis with Python**
Course instructors: Anne Kroon & Damien Trilling
GESIS – Leibniz Institute for the Social Sciences, Mannheim, Germany
2022. **Introduction to Text Mining with R**
Course instructors: Ayoub Bagheri
Summer University Utrecht, Netherlands

SERVICE TO THE ACADEMIC COMMUNITY

- 2023- **Forum: Navigating Intersectionalities and Creating Opportunities in Academia**
Co-organizing with Faime Alpagu, Aytalina Kulichkina, Dominique Bauer, Leora Courtney-Wolfman, Lorena Olarte, Zahra Hosseini
Vienna Doctoral School of Social Sciences, University of Vienna
- 2021- **Academic Reviewing**
International Communication Association (2021, 2022, 2023, 2024)
Journalism Studies
Scientific Report
- 2019-2023. **under.docs Academic Conference**
Board member, co-organizer of two scientific conferences for early-career researchers and editor of conference proceedings

ACADEMIC OUTPUT

Peer-Reviewed Publications

- (1) **Kathirgamalingam, A.**, Lind, F., & Boomgaarden, H. (2023). Automated Detection of Voice in News Texts. *Computational Communication Research*, 5(1), 85-108.
